- Communicate and collaborate with multi-disciplinary teams of engineers, designers, producers, and clients on the weekly basis

Projects & Contributions

E-Commerce Website

It provides everything we need for online shopping. A seller lists the products or services they sell, along with prices. A customer finds the website, then buys goods and services. When they've decided they're done online shopping, they move to the checkout phase and place the order.

My Portfolio

Here You can find about me in details, you can find about my interests in technologies, tools and How I start my career in Software Development.

Education

1. Bachelor Of Engineering

2019- 2023 // Gandhinagar, Gujarat, India.

Government Engineering College Gandhinagar.

2. High School Study

2017- 2019 // Surat, Gujarat, India.

P.P. Savani Vidhyabhavan.

Skills

Programming Languages

HTML, CSS / SCSS, Javascript, Java, Python

Libraries & Frameworks

React, Mui, Node, Next JS, Express, spring boot, Django

Tools & Platforms

MongoDB, PostgreSQL, Git, Firebase, sqlite.

Strengths

An excellent understanding of advanced techniques, such as Performance Optimization, and JWT is a plus.

Good understanding of writing scalable and maintainable CSS using SASS (CSS frameworks: MaterialUI, Bootstrap, Tailwind CSS)

Creating smooth animations and illustrations is a plus.

Ability to communicate effectively.

Other Projects
